

# Annual Index

RN

This index reflects material appearing in the 2004 issues of **RN**. Articles are listed alphabetically under subject headings. Each entry gives the title, issue, and page number on which the article begins. Those feature articles with continuing education tests are marked with an asterisk. Articles from "Balancing Act," "Ethics in Action," "Legally Speaking," "Get Real!" and "Question of the Month" are entered by subject.

## AIDS

- \*A reawakened loss. Apr:29
- \*What's new in the fight against AIDS. Apr:46

## ASSESSMENT

- \*Caring for the patient with piercings. June:46
- Hands-On Help: Assessing heart sounds. Aug:24ac1
- \*Is your patient suffering from alcohol withdrawal? Feb:27
- \*Neurological assessment: A refresher. Sept:TNT18
- \*Trauma Nursing: Intimate partner violence. Aug:38
- What's wrong with this patient? Osteomyelitis. July:45
- \*When dementia complicates care. Jan:50

## CARDIOVASCULAR

- A wedding day rescue. Feb:33
- Hands-On Help: Assessing heart sounds. Aug:24ac1
- Temporary pacemakers. June:24ac1
- Torsades de pointes. Oct:24ac1
- \*Is it an MI? What the leads tell you. May:48
- Is this form of syncope to blame? June:32
- \*Men's Health: Heart disease. Nov:42
- \*New therapies for heart failure. Mar:28
- \*What you must know about amiodarone. May:24ac1
- \*Women's Health: Heart disease. Jan:32

## CAREER DEVELOPMENT

- Balancing Act: A sideline within nursing? Oct:57
- Making a difference through volunteer work. Nov:61
- Why not pursue a sideline career? Sept: 62

## CHARTING

- High-tech success in the office. Jan:ON2

## COMPLEMENTARY THERAPIES

- A low-tech approach to pain relief. Mar:41

## CRITICAL CARE

- \*Get ready for the virtual ICU. Aug:52
- Hands-On Help: Assessing heart sounds. Aug:24ac1
- Manual ventilation. Dec:24ac1
- Temporary pacemakers. June:24ac1
- Torsades de pointes. Oct:24ac1
- \*HBO therapy: Beyond the bands. Sept:30
- \*Hyperglycemic crisis: Regaining control. Apr:23
- \*Shifting gears: From cure to comfort. Nov:52
- \*This time the stroke was mine. Sept:28ac2
- \*Trauma Nursing: Amputation. July:38
- Blunt chest injuries. Mar:47
- Intimate partner violence. Aug:38
- Pediatric patients. June:36
- Penetrating chest wounds. May:36
- Traumatic brain injury. Apr:32
- \*Vent injury: How to avoid it. July:54

## DEATH

- A reawakened loss. Apr:29
- \*Shifting gears: From cure to comfort. Nov:52

## DERMATOLOGY

- A curious case study. Granulomatous slack skin disease. Nov:37

## DIABETES

- \*Hyperglycemic crisis: Regaining control. Apr:23
- Patient's Library: Glucose monitoring. Nov:28ON4

## DISEASE

- A curious case study. Granulomatous slack skin disease. Nov:37
- \*Men's Health: Depression. Dec:36
- Heart disease. Nov:42
- Prostate disease. Sept:53
- \*Six diet myths (and the facts that debunk them). Oct:48
- What's wrong with this patient? Osteomyelitis. July:45
- \*Why should you care about free radicals? Jan:38
- \*Women's Health: Heart disease. Jan:32

## DRUGS

- Chemo's toll on memory. Apr:40
- \*Getting "C diff" under control. Mar:TNT19
- \*Help patients cope with chemo. Oct:25
- \*Men's Health: Erectile dysfunction. Oct:40
- \*New therapies for heart failure. Mar:28
- \*Tackling med errors with technology. May:29
- \*What you must know about amiodarone. May:24ac1
- \*What's new in the fight against AIDS. Apr:46

## EDUCATION

- Balancing Act: Back to school? Nurses say: You bet! July:63
- Get Real: Nursing schools are failing us. July:88

## EMERGENCY

- A wedding day rescue. Feb:33
- Hands-On Help: Manual ventilation. Dec:24ac1
- \*Is your patient suffering from alcohol withdrawal? Feb:27
- \*Pediatric poisoning! Sept:37
- Staffing the ED despite the nursing shortage. Feb:26hf1
- The struggle for lives in Iraq. Dec:32
- \*Trauma Nursing: Amputation. July:38
- Blunt chest injuries. Mar:47
- Intimate partner violence. Aug:38
- Penetrating chest wounds. May:36
- We stop aggression as soon as it starts. Oct:33

## EQUIPMENT

- A wedding day rescue. Feb:33
- \*Get ready for the virtual ICU. Aug:52

## Hands-On Help:

- Manual ventilation. Dec:24ac1
- Temporary pacemakers. June:24ac1
- \*HBO therapy: Beyond the bands. Sept:30
- \*How to avoid needlesticks. Nov:28ns2
- \*Is it an MI? What the leads tell you. May:48
- Market Choices: Bedside monitors. Jan:69
- Blood glucose monitors. Apr:55
- Compression devices. Feb:61
- Scrubs. May:57
- Waterless hand cleansers. Mar:57
- Resource Review: Bariatric transfer devices. Mar:26ac7
- \*Tackling med errors with technology. May:29

## ETHICS

- Ethics in Action: A violent patient. May:21
- Deciding for others. July:25
- End-of-life decisions: The family's role. Jan:25
- Guidance on managing pain. Nov:28
- Warning a patient. Mar:21

## GENITO-URINARY SYSTEMS

- \*Men's Health: Erectile dysfunction. Oct:40
- Prostate disease. Sept:53

## GERIATRICS

- \*When dementia complicates care. Jan:50

## HOSPITALS

- Building a culture of safety. May:24hf8
- Eliminating medical errors is part of every nurse's job. Sept:28hf2
- \*Get ready for the virtual ICU. Aug:52
- New quality trend puts spotlight on success. Jan:30hf1
- Nurses and social workers: Different roles, shared case management goals. Sept:28hf1
- Using technology to improve patient flow. July:28ac2
- We stop aggression as soon as it starts. Oct:33
- \*Winning the battle against back injuries. Feb:52

## INFECTIONS

- \*Caring for the patient with piercings. June:46
- \*Fighting the flu in the face of a shortage. Dec:26
- \*Getting "C diff" under control. Apr:TNT19
- \*How to avoid needlesticks. Nov:28ns2
- Is your staff following this basic practice? Aug:24nm2
- \*TB—Your vigilance is vital. Nov:30
- \*What's new in the fight against AIDS. Apr:46

## LEGAL

- Legally Speaking: Advance directives: Your role. May:59
- Does your charting measure up? Mar:61
- Giving a deposition? Watch your words. Jan:63
- Saying the right thing when things go wrong. Apr:59
- What it takes to be an expert witness. Feb:65

**MEN'S HEALTH**

- \*Men's Health: Depression. Dec:36
- Erectile dysfunction. Oct:40
- Heart disease. Nov:42
- Prostate disease. Sept:53

**NEUROLOGY**

- Help patients cope with fibromyalgia. Sept:46
- \*Neurological assessment: A refresher. Sept:TNT18
- \*Seizures! Regaining control. Dec:44
- \*This time the stroke was mine. Sept:28ac2
- \*Trauma Nursing: Traumatic brain injury. Apr:32

**NUTRITION**

- \*How to help wounds heal. Aug:26
- \*Six diet myths (and the facts that debunk them). Oct:48

**OBSTETRIC-GYNECOLOGY**

- \*Mammograms: When and how often? June:26
- \*The doula's role during L&D. Mar:34
- \*Women's Health: Breast cancer. Feb:36

**OFFICE NURSING**

- A handy form to evaluate staffers. Nov:ON2
- Create a first-rate waiting room. May:ON2
- High-tech success in the office. Jan:ON2
- How to win the paper chase. Sept:ON2
- Patient's Library: Glucose monitoring. Nov:ON4
- Take charge of your health. Sept:ON7
- Whole-body CT scans. Mar:ON7
- Putting together a practice newsletter. Mar:ON2
- Your guide to OSHA regulations. July:ON2

**ONCOLOGY**

- A curious case study. Granulomatous slack skin disease. Nov:37
- Chemo's toll on memory. Apr:40
- \*Help patients cope with chemo. Oct:25
- \*Mammograms: When and how often? June:26
- \*Men's Health: Prostate disease. Sept:53
- \*Women's Health: Breast cancer. Feb:36

**ORTHOPEDICS**

- What's wrong with this patient? Osteomyelitis. July:45

**PAIN**

- A low-tech approach to pain relief. Mar:41
- Help patients cope with fibromyalgia. Sept:46
- \*Taking the fifth (vital sign). July:30

**PATIENT EDUCATION**

- Caring for the patient with piercings. June:46
- Patient's Library: Glucose monitoring. Nov:ON4
- Take charge of your health. Sept:ON7
- Whole-body CT scans. Mar:ON6
- Using technology to transform patient education. Feb:26nm1

**PEDIATRICS**

- \*Pediatric poisoning! Sept:37
- Pediatric psych cases and how you can help. Aug:24hf2
- \*Trauma Nursing: Pediatric patients. June:36

**POETRY**

- Nurses' Verses: I Care. Feb:51

**PROCEDURES**

- \*HBO therapy: Beyond the bends. Sept:30

**PROFESSIONAL ISSUES**

- A lesson in nursing. July:49
- A nurse's apology. Sept:51
- A practical guide to a thorough history. Jan:TNT14
- A reawakened loss. Apr:29
- A remembrance for the children. May:43
- Achieving balance after my diagnosis. Feb:48
- Balancing Act: A sideline within nursing? Oct:57
- Back to school? Nurses say: You bet! July:63
- Finding time for fitness. Dec:53
- Making a difference through volunteer work. Nov:61
- Taking on the night shift. Aug:59
- Turn a conference into a mini vacation. June:55
- Why not pursue a sideline career? Sept:62
- Communication strategies for smooth patient transfers. Jan:30hf3
- Docs say, Thanks nurse! May:26
- Get Real! Big mouth! Oct:80
- Nursing schools are failing us. July:88
- Servants or colleagues. Sept:92
- Staffing ratios. June:80
- We need a Bill of Rights with teeth. Aug:84
- Why not form nurse corporations? Nov:84
- Wounds. Dec:76

- Helping patients break the boredom. Jan:46
- \*How to avoid needlesticks. Nov:28ns3
- New quality trend puts spotlight on success. Jan:30hf1

**Nurse As Patient:**

- Helping from my hospital bed. Mar:39
- Lessons I learned when the tables were turned. Nov:28hf2

**Question of the Month:**

- Are you paid fairly? Sept:24
- What are some of the nicest things patients have done to show their appreciation for you? Aug:21
- What was the lowest point in your career as a nurse? Nov:25
- What was the nicest thing a colleague ever did for you? Dec:21
- What was your most embarrassing nursing moment? July:22
- When did you first know that you wanted to be a nurse? Oct:21
- Would you recommend nursing to your child? June:20

- Rediscovering my passion. Aug:47

- \*Tackling med errors with technology. May:29
- The enigma of the Gypsy patient. Aug:33

- Tips for keeping your nurses happy. June:24nm2

- Using technology to improve patient flow. July:28ac2

- \*Winning the battle against back injuries. Feb:52

**RESPIRATORY**

- Hands-On Help: Manual ventilation. Dec:24ac1
- \*Vent injury: How to avoid it. July:54

**STAFFING & SCHEDULING**

- Get Real! Staffing ratios. June:80
- Staffing the ED despite the nursing shortage. Feb:26hf1
- Tips for keeping your nurses happy. June:24nm2

**SURGERY**

- \*Periop care for the morbidly obese. Mar:26ac1

**TESTS**

- Patient's Library: Whole-body CT scans. Mar:ON6

**TRAUMA**

- The struggle for lives in Iraq. Dec:32
- \*Trauma Nursing: Amputation. July:38
- Blunt chest injuries. Mar:47
- Intimate partner violence. Aug:38
- Pediatric patients. June:36
- Penetrating chest wounds. May:36
- Traumatic brain injury. Apr:32

**WOUND CARE**

- \*How to help wounds heal. Aug:26
